<b><u>Reading</u></b>	<b><u>Math</u></b>	<b><u>Writing</u></b>	<b><u>Science/ Social Studies</u></b>	<b><u>Other</u></b>
<p><b>1.</b> Find 3 text features in a non-fiction book. Tell a family member how each text feature helps you learn about the topic.</p> <p>Examples: Labels, Photographs, Maps, Bullet Points, Bold Print, Headings, Glossary, Index, Table of Contents</p>	<p><b>2.</b> Pick 10 objects in your house that you can lay on a table or the floor to compare their length. Put them in order from shortest to tallest. Write 2 comparing sentences about your objects using the words shortest, shorter, shorter than, the same as, longer, longest, and longer than.</p>	<p><b>3.</b> It's exciting when you lose a tooth, but how does the tooth feel about this experience? Pretend you are the tooth. Write about this event from your point of view.</p>	<p><b>4.</b> As we learn about maps in Social Studies, with an adult enter your address into <a href="http://www.bing.com/maps">www.bing.com/maps</a>. Discover what it looks like from the aerial view and the street view. Zoom out to find out more about where you live on the map including your town, state, country, continent, and world.</p>	<p><b>5.</b> Random Acts of Kindness Week is February 11-18. Each day do one act of kindness for a friend or family member. Tell your family each night the act of kindness you did.</p>
<p><b>6.</b> After reading a non-fiction book, tell an adult what the main idea of the book is. What key details can you show from the book that support this is the main idea?</p>	<p><b>7.</b> Using a nonstandard unit of measurement (paperclips, forks, playing cards, or some other unit that are the same length) measure the length the beds in your home. Tell a family member a sentence about your measurements.</p>	<p><b>8.</b> Write to tell how you take care of your teeth as February is Dental Health month. Use transition words like first, next, then, last to make your writing flow smoothly.</p>	<p><b>9.</b> Draw a map of our classroom or a room in your home. Create a key and symbols to tell about your map. Make sure your map has a title.</p>	<p><b>10.</b> International Night at Matsunaga is on Friday, February 9th from 6:30 - 8:30 pm. Come with your family to learn about different cultures around the world represented at MES.</p>

<p><b>11.</b> In a non-fiction book, write a sentence about information you can learn from the text. Write a sentence about what you can learn from an illustration in the book.</p>	<p><b>12.</b> Trace the feet of the people (and pets) in your home. Use a non-standard unit of measurement to measure how long each foot is.</p>	<p><b>13.</b> In honor of Kindness Week, write a letter to someone sharing kind words about them. Tell what you like about them.</p>	<p><b>14.</b> Find 3 things your home made of each of these materials:</p> <p>Wood Plastic Metal Glass Paper</p>	<p><b>15.</b> You have been selected to plan a special valentine party! Make a list of the food and supplies you will need to have a great party.</p>
<p><b>16.</b> Pick a character from a book and share what character traits tell about them. A character trait is something that tells about what they are like on the inside based on what they say and do. Give an example from the book that supports this character trait.</p> <p>Example: Lilly is creative. In the book, she likes to go to the Lightning Lab to write her new ideas and she enjoys doing interpretive dance.</p>	<p><b>17.</b> Play How Tall are You on a computer with Curious George.</p> <p><a href="http://pbskids.org/curiousgeorge/games/how_tall/how_tall.html">http://pbskids.org/curiousgeorge/games/how_tall/how_tall.html</a></p>	<p><b>18.</b> Create a picture to show your favorite sport in the Winter Olympics. Make a list of sensory words to describe it. Include words to tell about what people who play this sport hear, see, feel, and smell during their sport.</p>	<p><b>19.</b> You know the story of the Three Little Pigs, but did you know that there was a fourth brother? He's now old enough to leave home, and he needs you to build him a house. His brothers built their homes out of straw, sticks, and brick. What will you use to build his home? Draw and write about your choice.</p>	<p><b>20.</b> Look through a grocery flyer and cut out pictures of healthy foods. Write the names of each food. What food group would it fit into on your Healthy Plate?</p>  <p>Choose <b>MyPlate</b>.gov</p>

<p><b>21.</b> After reading a book, think about what you would call the book if you were the author. Design a new cover for the book showing the new title. Tell someone why you picked that title.</p>	<p><b>22.</b> Find 5 things in your room that are shorter than your hand. Find 5 things longer than your hand. Can you find any objects the same length as your hand?</p>	<p><b>23.</b> Which special is your favorite - PE, Music, or Art? Write your opinion in a sentence and give 3 reasons why it is your favorite.</p>	<p><b>24.</b> Go for a walk with your family. Look for natural features such as lakes, trees, hills, and rivers. Talk about things you see that people made to change the land (make roads, build houses, etc.). Why do you think people change the land?</p>	<p><b>25.</b> Play a board game or do a puzzle with your family.</p>
