

# 's November Homework

Choose at least 20 squares to complete. Color the square after you have completed it.  
Return this chart and the Reading Log by November 30th to get a prize.

Reading	Math	Writing	Science/ Social Studies	Other
After reading a book, retell the story elements (characters, setting, problem, and solution) using pictures and a sentence.	Ask an adult to give you word problems to solve about things around your house with numbers 1-20. Figure out if you need to add or subtract to solve. Explain your thinking and your answer to the adult.	Find the mistakes in this sentence. Rewrite the sentence correctly in your neatest handwriting.  my Friend iz goinG two comE over Tod.y?	Make a list of 5 traditions your family has. Talk to your family about why they are special to your family.	Make a card or write a letter to someone you are thankful for. Be sure to tell them what makes them special in your life.
While reading a Fiction book, look at the illustrations in the book. Share with an adult what details the illustrations tell you about the story. Can you learn anything more from the pictures that the author didn't say in the text?	Play Base Ten Fun to practice your tens and ones  <a href="http://www.abcya.com/base_ten_fun.htm">http://www.abcya.com/base_ten_fun.htm</a>  	Make these sentences more exciting by adding awesome adjectives.  The girl wore a shirt. My mom gave the cat a toy. The boy rode a bike. A friend drew a picture.  <b>Example:</b> The dog ran. The brown spotted dog ran fast down the busy city street.	Go on a nature walk with an adult. Discuss what things you see that are living and non-living. Share what is the difference between living and non-living.	Ask your family about people you know who have served in the military (any country). For Veterans Day (November 11th) share with them your thanks for their service. You can call them to say thank you, make a card, take a picture with them, or anything that makes them feel special.
Compare and contrast the experiences of two characters in two different fiction books. How are the characters the same in the texts? How are they different?	Write down the ages of people in your family. Draw a model of each age in 10s and 1s. Write three comparing equations using the numbers.  	Make a list of people you know. Be sure to capitalize the first letter of each person's name.	Walk around your home to observe how different non-living things move. Make a list or tell an adult what things you found that spin, go straight, swing, and zigzag.	After your family meets with your teacher for conferences, list 3 things you are doing great at in first grade. Think of something you want to improve on for the second quarter and set a goal to get better.  Example: My goal is to improve my reading level so I am going to read for 10 minutes each night.
Pick a character from a book and share what character traits tell about them. A character trait is something that tells about what they are like on the inside based on what they say and do. Give an example from the book that supports this character trait. Example: Lilly is creative. In the book, she likes to go to the Lightning Lab to write her new ideas and she enjoys doing interpretive dance.	Create a survey question for 10 people. Tally their answers and make a pictograph to show your information.	Pick a word family from the back. Write 5 sentences using members of the word family. Check your capitals, punctuation and spelling.  November's Word Families: -in -an -op -ank -ing	With a family member, discuss how you can maintain healthy teeth. Do you visit the dentist 2 times a year? How often do you brush? For how long? What else do you do to care for your teeth?	November 13th is World Kindness Day. To celebrate share kindness with someone. Open a door for them. Draw a picture for someone you love. Help your parents with extra chores. Smile at someone you don't know.
After reading a book, think about what you would call the book if you were the author. Design a new cover for the book showing the new title. Tell someone why you picked that title.	Have an adult give you 10 number sentences (adding and subtracting up to 20). Decide whether they are true or false and explain why.  Example: $11 = 17 - 9$ This is false. If you start at 17 on a numberline and make 9 hops backward you land on 8, not 11.	Spell your Word Wall Word for the week in a creative way. Word Wall Words are on the next page.  Examples: Write them in fancy letters. Do jumping jacks as you spell each 3 times. Clap them out. Type them on the computer. Finger spell them in American Sign Language.	Draw a picture to show what it means to be patriotic. Write 2 or more sentences telling about your picture.	Spend time with your family without any electronics (phones, tvs, tablets) for an hour. Talk, play, and enjoy time as a family.
